OUR STORY

Our adventure began in our backyard in 2013, with a handcrafted wood-fired oven, where we perfected our recipes in the rain and snow before opening Brigade Montréal in 2014. In 2023, we opened our second location in Boucherville, sharing our passion for Neapolitan pizza and fresh pasta.

Our goal is to make quality cuisine accessible in a casual and friendly setting, ideal for any occasion – from a romantic dinner to a business meeting to a family dinner. With a rigorously trained team and long-fermented dough, each dish at Brigade offers a unique flavour.
